CORRECTION OF TEXT IN PUBLISHED APPLICATION

Sir:

Prior to issuance, please note the following correction to the patent application publication identified above and consider the accompanying remarks:

- **Correction to the Published Specification** begins on page 2 of this paper.
- **Remarks** begin on page 3 of this paper.

Correction to the Specification of Published Application

Prior to publication of the issued patent, please consider the following correction to the specification of patent application publication No. US 2004/0137685 A1 as follows:

[0069] In some embodiments, gates 700 and 965 may be formed from a semiconductor layers or from metal-semiconductor alloys, such as ~~silicides~~ silicides.

This correction is requested to reflect the paragraph beginning on page 15, line 17 of the specification as submitted on October 23, 2003.

REMARKS

Applicants note an error in the specification of the published patent application, and have indicated the appropriate correction. The error did not appear in the text of the filed patent application; the error was made by the USPTO.

Applicants do not request a republication of the patent application; rather Applicants request that the error be corrected in the publication of the issued patent.

CONCLUSION

If the Examiner believes that a telephone conversation with Applicants' attorney would expedite allowance of this application, the Examiner is cordially invited to call the undersigned attorney at (617) 570-1806.

Applicants believe that no fee is necessitated by the filing of this Correction of Text in Published Application. However, if any additional fee is due, please charge said fee occasioned by this paper to our Deposit Account No. 07-1700.

Respectfully submitted,
